ECHOS

1943

● The year 1942-43 has been one of sudden changes — in our school, in our nation and in the world. The war has affected many of us here at New Trier. It is our aim, therefore, to have the form and content of this Echoes reflect this atmosphere and give a clear record of New Trier's part in the war effort.

Administration

● The New Trier students owe the Administration and the Board of Education a great deal of gratitude for improving the school facilities and seeing that everything in the school runs smoothly and properly.

The school has gained its exceedingly high scholastic rating only through the diligent work of Matthew P. Gaffney. During his twelve years as superintendent of New Trier he has also striven for better relations between the faculty and the students, as well as seeing that each student gains as much as possible in his years at the school. New Trier may well be proud of the endless service and work Mr. Gaffney has put forth in his years as principal.

Also Mr. Gaffney has been greatly helped by Miss Helen Maloney, the new Dean of Girls; Mr. F. A. Kahler, Dean of Boys; Mr. W. L. Brown, Business Manager; and Mrs. R. F. L. Biesemeier, Superintendent of Buildings and Grounds.

The task of seeing that all school affairs and activities function properly is placed upon the Board of Education. Mr. Ballman, Mr. Barnett, Mr. Putnam, Mr. Hinnens and Mr. Anderson, President, have all worked hard to accomplish this.

The adviser chairmen are in charge of all class affairs, and the direction of the adviser room work throughout the year. The adviser chairmen are the links between the advisers and the Dean.

Office Staff

● The precision and efficiency with which the school is operated would be seriously impaired were it not for the Girl's Office Staff. The group grew rapidly this year as did its many duties and responsibilities. The staff was made up of Junior and Senior girls, assigned at least one period a day to the Registrar's Office. These volunteers assist the regular Office Staff at the counter and in the front office. They have been most important in taking the place of teachers by doing this service.

Another group of this nature is the Student Visual Education Service Staff. Mr. Charles Gibson has been in charge of this staff for many years, and the authority and responsibility for the work rest wholly with him. But he is assisted by ten New Trier boys who give up their free periods to help him with this work. This year, its importance was particularly great, as it helped in the war effort by releasing many teachers for other more important work.

Tri-Ship Club

• The Tri-Ship Club has put forth a great effort this year to give the student body as many benefits as possible. The dances, the banquets, Lagniappe and many other activities have served to promote the club's ideals of citizenship, sportsmanship and fellowship throughout the school.

The main activities of the 1942-43 season have been the Student-Faculty party, five enjoyable Trip-Ship Dances, the Athletic Banquet featuring Elmer Layden and two Chicago Bears in the fall, biennial Mother-Son banquet in March offering an interesting program of varied local talent, and the highlight of the year, the talent show, Lagniappe, which was presented two evenings before sellout audiences.

The Student Aid Committee conducted many successful drives including the important Christmas, Book, and Red Cross Drives. Several scholarships were awarded to deserving boys and also certain students were provided with necessary pecuniary aid to enable them to complete their work here at New Trier.

An added war activity of the club was the formation of the Service Register Committee, which is a compiled list of men in our armed forces who once attended New Trier.

Among the numerous organizations sponsored by the club are the Usher Corps, the information desk boys, door and hall guards, traffic squad, library monitors and the group of senior boys who serve as assistant advisers in the Freshman Boys' rooms. All these students do their jobs unselfishly and without much recognition.

Mr. Frisbie and Mr. Gannaway were of the utmost value and assistance again this year serving in their capacity as sponsors of the Tri-Ship Boys' Club.

Student Council

● One of the primary aims of the Student Council is to teach students to live and govern themselves democratically. Towards this end was the council working when they instituted the new system which has been in effect for the first time this year. Had it not been for the fine job done by the officers, Tom Spoehr, President; John McNitt, Vice-President; Anne O'Connor, Secretary; and Dick Saunders, Treasurer, it would have been impossible to have functioned so successfully this year. These officers were assisted by the following board: Jim Clarke, Secretary of Study Halls; Ray Wiese, Service Secretary; Bernard Rittersporn, Assembly Secretary; Jim Palmer and Bob Rockwell, Defense Secretaries; Joan Steif, Social Secretary; Bob Liepold, Publicity Secretary.

Under this new plan the thirty-two representatives, eight from each class, are the policy forming group, and the departmental secretaries are

merely figureheads who do not have a vote in council but carry out the actual details which the representatives delegate to them.

The council has accomplished much this year. To start out the year the Activities Ticket drive was put on which proved extremely successful. Later came the organization of honor study halls, Freshman Club Day, Halloween Night, and the organization of the club program for the year. The War Department did a wonderful job selling War Stamps and Bonds and under the same department came the airplane identification classes, the key campaign, kits for Fort Sheridan, and the Gym Carnival. Two outstanding events during the spring months were the Gym-Jam and the Hobby Show.

In addition to these material things many problems were discussed about which no immediate action could be taken. Several student Forums were held in order to understand the various students' views on the intangible problems. On such problems as these success cannot be measured in one year but must be regarded over a period of years.

Much credit for this year's success should be given to Mr. Wehr, Miss Hadden, and Mr. Van Deursen, faculty sponsors.

Girls' Club

● When Girls' Club was founded 24 years ago, its purpose was to promote friendliness among the girls of New Trier and give financial aid to girls who needed it. Through the following years the club has ably fulfilled these aims. The officers and board of the year 1942-1943 feel proud that they have had the opportunity to carry on the spirit and traditions of Girls' Club. The girls of New Trier, all of whom are members, have equaled and continued the fine work of their predecessors.

Each year scholarships are given to deserving girls who would not otherwise be able to attend college. One of the most important ways of earning money for this Scholarship Fund is through the Magazine Drive. The magazine committee with the vice-president acting as chairman, brought this drive to a successful conclusion. The Financial Committee headed by Barbara Barnett established new records in the sale of hot-dogs at the football games. An all-time high of 3,000 hot-dogs was sold at the memorable Evanston game. More than 150 girls were given jobs this year through the Employment Committee. Florence Billings was the chairman. The current employment situation made the work of this committee important.

The girls on the Friendly and Social Committees efficiently handled that aspect of Girls' Club. With Maribel Sears and Marian Peterson as chairmen, the annual Friendly Banquet and Father-Daughter Dinner were given. A Freshman-Senior party, and a supper for new girls were held at the beginning of the year. Girls' Club in cooperation with Tri-Ship participated in the Thanksgiving, Christmas, and Red

Cross Drives. The Charity Committee, headed by Joanne Brown, organized these campaigns. The girls on the Arrangements Committee cared for the prized Girls' Club Room. Betsy Etterwind was chairman. The Publicity Committee headed by Barbara Raymer made posters and handled publicity for all Girls' Club Events.

The girls of New Trier working with the officers, Jean Kix Miller, Ann Cody, Jean Shanesy, and Barbara Green, and Miss Wright, as sponsor, have made possible another successful year for Girls' Club.

Foreign Language Clubs

- During the last few years the Spanish Department has been increasingly prominent; naturally the Spanish Club has increased in prominence until it has reached the high position it now holds among New Trier clubs. The meetings were spent in learning more about Spain through motion pictures and by talks given by both students and adults.

- The German Club, in spite of the war, is still a thriving club. It gives an excellent chance for students to acquaint themselves with the German culture, in order to make a more lasting peace after the war. The club not only studies the art, music, and literature of the old Germany but also the German people of today.

- The Latin Club was originally started by Latin students who were interested in learning more about the Romans and is fashioned after the old Roman government, complete with consuls, praetors, etc. The members adopt Roman names and the magistrates wear togas. Every year an exchange meeting is held with the Evanston Latin Club, and this year it was held at New Trier. This proved to be one of the most popular meetings of the season.

- The French Club is one of New Trier's most popular clubs. Its programs consist of lectures, skits in French, slides of French life, singing and frequent talks by outside speakers, well-informed on France. Second semester the French Club published a magazine, "Le Flambeau," which contained French stories, poems, jokes, and crossword puzzles. Miss Jackson is the sponsor of the club.

Clubs

Radio Club

● The Radio Club is one of the oldest clubs at New Trier. This is its nineteenth year, and it is still one of the most popular clubs of this type. In this club the fundamentals of radio and radio engineering are studied and mastered. 13 members of the club are licensed "ham" or amateur operators; of these several have their commercial radio phone and radio telegram licenses. Because of the war they are not allowed to operate but when the war is over they will be on the air again.

Public Address Operators

● The Public Address Operators are a group of boys who perform valuable services for the school and yet receive little credit for their work. They have charge of all work with the microphones and public address system at New Trier.

Airplane Identification Corps

● The Airplane Identification Corps was organized under the supervision of the Council and Mr. Peterson early in the first semester. All of the instructors for both American and foreign courses were students who volunteered their services to teach during their study halls. The purpose of the corps was to train spotters for any emergency duty which might arise, and to give preliminary training to those who may enter the armed forces in the near future. About five hundred students took courses in identification during the first semester, enrollment being purely voluntary, and almost two hundred certificates were awarded to those who passed. During the first semester, three courses were taught, all dealing with American planes, and each lasting three weeks. At the end of each three-weeks' course, a test was given covering the planes studied, and all students successfully passing the tests were awarded certificates.

The courses offered during the second semester were designed to teach students identification of foreign aircraft, including British, Russian, German, and Japanese types. Each of the foreign courses lasted three weeks, and certificates were awarded.

Stamp Club

● The members of the Stamp Club are students interested in collecting and studying unusual stamps.

Science Club

● The Science Club is sponsored by Mr. Reynolds and gives an opportunity for students to learn about the different phases of science by field trips, special speakers, and science movies. The club is divided into groups of members with the same interests, but the club acts as a whole in such matters as taking charge of the Science Club.

Geography Club

● The geography club is sponsored by Miss Hamilton and was organized for students interested in the field of geography. During the year the club members studied the geography of New Trier Township and also current events of world-wide interest.

Chess Club

● The Chess Club was organized last year under the sponsorship of Mr. Schumacher. It gives those students interested in the game of chess a chance to get together and brush up on their game.

Musicale

● Formed for those who enjoy listening to fine records, Musicale met every two weeks to hear their splendid collection. Besides this, the club (under the direction of Mrs. Kidd and Pres. Ed Gross) sponsored the very successful concert series. Also, a new group was formed this year in Musicale for those interested in playing the recorder.

Concert Committee

● This year the Concert Committee succeeded in securing the famed Illinois Symphony Orchestra for a series of concerts at New Trier. Through their efforts New Trier was fortunate enough to be able to hear the Great Lakes quartet and the famed Count Basie and his orchestra.

Recorder Group

● The Recorder Group was organized this year under the direction of Mrs. Kidd. The group was formed in order to stimulate interest in the playing of recorders. Its members gathered each month to discuss and play their instruments. The group has been so successful that it is probable that it will be carried on in a still larger scale next year.

Echoes

● The 1943 Echoes staff was one of the finest the Echoes has had in its thirty-six years. It consisted of John Crocker, Editor in Chief; Charlotte McConnell, Associate Editor; Bob Davis, Business Manager; Al Huettel, Assistant Business Manager; Sally Lightner, Senior Section; Al Manning, Photography Editor; Jeff Mills, Snapshot Editor; and Shirley VanHorne and Peggy Nix, G. A. A. Editors. However, the book could never have been put out without the help of the two sponsors, Mr. Waters and Mr. Holland. The staff and assistants have strived to put forth a bigger and better yearbook, in spite of wartime limitations. It has done its best to give you all accounts of the important events that have taken place this year.

● Many new features have been included in the 1942-43 Echoes. The pictures of every student in the school, the large candid shots and the different division pages have gone to make a larger and, we hope, a better book.

Due to the war, the Echoes this year had to be sent to press a month earlier. This difficult time schedule could not possibly have been met without the aid of the staffs.

The Echoes staff would like to express its deepest gratitude to Mr. Bernie of the Bernie Studio who has been so helpful in taking the senior, class officer, and large group pictures; to the Pontiac Engraving and Electrotpe Company for its fine engraving work; and to the Lloyd Holister Publishing Company for its excellent job in the printing of this book.

MR. CARPENTER

The News

● Since the entry of the United States into the war, the New Trier "News" has endeavored to point out to the student body ways and means by which they can be of help to their school and nation. The "News" has tried, by means of editorials, to interpret our role in the present world crisis. It has brought the student body closer to the war by printing interesting articles about New Trier alumni in the service.

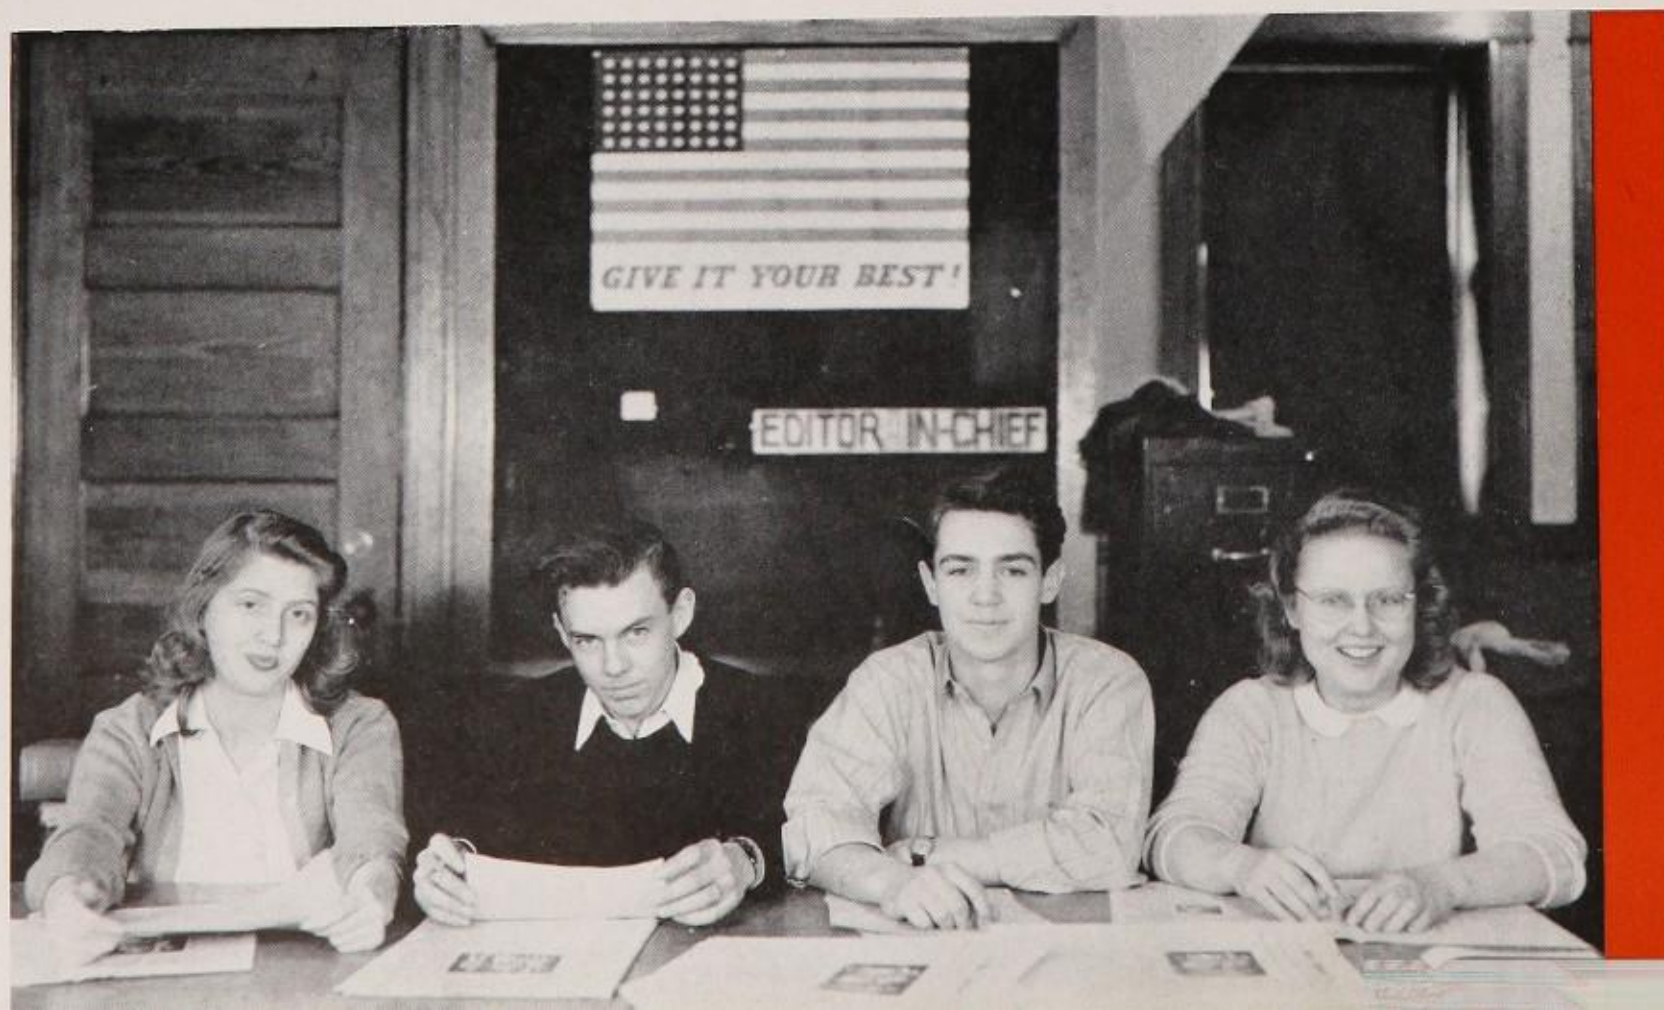

Mr. Carpenter, Barbara Hutchinson, the editor, and the staff have attempted this year to publish a more professional paper and they have succeeded admirably. Each week an 8 page issue filled with news and features has been published. The excellent features have included Bernard Rittersporn's column and the popular "Ginny and Verne."

Mr. R. H. Carpenter again took over the sponsorship of the "News," this year, after an absence of four years. Mr. Arnold Bridges, the former sponsor, left last spring to go into the service.

Inklings

MR. PETERSON

MISS HAMILTON

● *Inklings* is New Trier's literary magazine to which the student body contributes poems, essays, verse, and other original writing. This magazine owes a great deal of its interest to the attractive art work done by the Art Department.

In the past two years *Inklings* has been reduced to one copy a year in order to save on money and materials. However, the staff aspires to make this one issue larger and finer than those of former years. Because Mr. Peterson, the sponsor, has been kept busy this year with the Defense Committee, he has been joined by another sponsor, Miss Hamilton.

Inklings fulfills its purpose in that it supplies a medium for the students to show their writing ability, it gives the opportunity for students to have practice in publishing a magazine and brings enjoyment to everyone.

MISS STANWOOD

Dramatics

● The past year's dramatic productions have been exceptionally good, both in the excellent selection of the plays and in the fine acting.

The season was opened with the presentation of Thornton Wilder's dynamic play "Our Town." This is the first time in the history of New Trier that a play has been given without any scenery.

The next production was a very humorous melodrama entitled, "Love Rides the Rails."

"Letters to Lucerne," a powerful play by Frank Rotter and Allen Vincent and the third play of the year, was directed by Mrs. Thurman, a new addition to New Trier's dramatic department.

The credit goes not only to the casts, but also to the Stage, Light, Props, Make-up, and Costume Crews who have helped to make this past year a success.

Actor's Guild has become more important than ever this year. Practically everyone who is interested in having an opportunity to appear in a play may do so.

The Verse Speaking Choir which is composed of about forty girls has given many fine and little publicized programs before the students.

Great thanks should be given to Miss Stanwood, Mrs. Thurman, Miss Swanger, Miss Pribble, Mr. Van Kirk and Mr. Coburn as well as to many teachers from other departments, for their excellent direction and guidance.

Music Groups

● This year, Mrs. Cotton, affectionately termed "mama" by the students, celebrated the anniversary of her twenty-fifth year at New Trier. Perhaps this accounts for the outstanding highlights in musical entertainment which this year's music department has offered.

The annual Christmas concert, usually presented in both the afternoon and evening, was nearly cut down to one concert this year. It was thought that the lack of transportation might endanger the attendance. However, the two concerts were given, luckily, for New Trier's musical ability is well known and the lack of transportation did not stop people from coming. The concert itself was beautiful to hear as well as thrilling to behold.

Boys' Opera Group

● Immediately following the Christmas vacation the Boys' and Girls' Opera Groups earnestly began to work on the principal event of their musical year — the Gilbert and Sullivan opera. The Yeomen of the Guard was selected. After the tryouts the following cast was chosen: Ed Devlin, Lieutenant; Coleman Clark, Leonard; Joe Elliff, Faifax; Larry

BOYS' OPERA GROUP

Row 1: King, Hill, Sharp, Gerding, Green, Baer, Johnson, Grise, Christian, Hinners, Buck, Ramser, Shefte, Knupher, Shaw, Schoenick, Moyer.
Row 2: Blaezer, Jones, Pettee, Clark, Bray, Best, Townsend, Towle, Devlin, Davidson, Redding, Lowenherz, Baker, Kahler, McKewen.
Row 3: Herlocker, Matson, Brueggeman, Taylor, Liepold, Booze, Richmond, Townsend, Palmer, Walworth, Jones, Rymer, Elliff, McGuineas, Bernardi.

GIRLS' OPERA GROUP

Row 1: McConnell, Petersen, Wheeler, Hale, Powell, Towner, Jackson, Wells, VanHorne, Nordburg, Becker, Jones, Schaufler, Hinners, Wooden, Rose, Moore, Berlin, Schriener.
Row 2: VanHorne, Moon, Campana, Carroll, Lane, Wright, Sundbloom, Hamilton, Eisenberg, Mizener, Armitage, Green, Porter, Lee, Barnes, Ogle, Sherman, Steif, Wuegner, Lapat, Willett, Hahe, Paulick.
Row 3: Hefferan, Kemp, Gunn, White, Kreger, Hall, Bauer, Nelson, Eldridge, Lightner, Johnson, Keefer, KixMiller, McEwan, Shinnick, VanHorne, Mahan, Toel, Tilden, Gott, Cogswell, Lundberg, Hart, Loucks.

Nelson, Sergeant Merrill; Dan Pettee, Jack Point; Hugh Kahler, and Lawrence Jones as Wilfred; Bill Herlocker and Bob Liepold as the Yeomen; Patsy Paulick and Joanne Porter as Elsie; Martha Armitage and Sue Loucks as Phoebe; and Ellen Smith and Marie Hefferan as Dame Caruthers. It is the most difficult of the Gilbert and Sullivan operas and was extremely well done.

Row 2: Schreiner, Porter, KixMiller, Hefferan, Loucks, Paulick.

Boys' and Girls' Ensembles

● The Boys' Ensemble, composed of twelve boys, and the Girls' Ensemble, containing the same number of girls, give many performances outside of the school. This year they contributed their part to the war effort by singing at many clubs and U.S.O. parties. Also, this year, the two top groups of the music department combined their voices for the first time to form a singing chorus for Lagniappe. The Boys' and Girls' Ensembles, under the direction of Mrs. Cotton and Miss Anderson, respectively, also participated in all the school concerts.

Music

● Senior Music Club is an organization giving opportunities for students of musical talent to perform and hear good music. Sponsored by "Mama" Cotton, it is composed of the outstanding musicians of New Trier.

Junior Music Club is run along the same lines as Senior Music Club, and is considered the stepping stone to the more advanced club. Mrs. Bradburn supervises the activities of the club and serves as the faculty sponsor.

Girls' Glee Clubs

The Spring Concert, again combining the efforts of the various groups, was the last big appearance of the year for the vocal groups. It marked the end of a glorious year for the music department.

Two important parts of the music department which are seldom recognized are the Band, under the direction of Mr. Schumacher, and the orchestra, appreciated for its symphonic playing but seldom for its fine accompaniment of the vocal groups, the opera and at dramatic presentations, under the direction of Mrs. Cotton who is so ably assisted by Mr. Swigart.

Boys' Glee Clubs

The band plays at all sports events as well as giving a band concert in its own right at the end of each year.

An article on the music department would be incomplete without mentioning Mrs. Bradburn and Miss Anderson; they are a goodly part of the backbone of the department and ably assist Mrs. Cotton in the direction of the vocal groups.

The school at large owes a debt of gratitude to the entire music department for its general excellence throughout the entire year.

Varsity Football

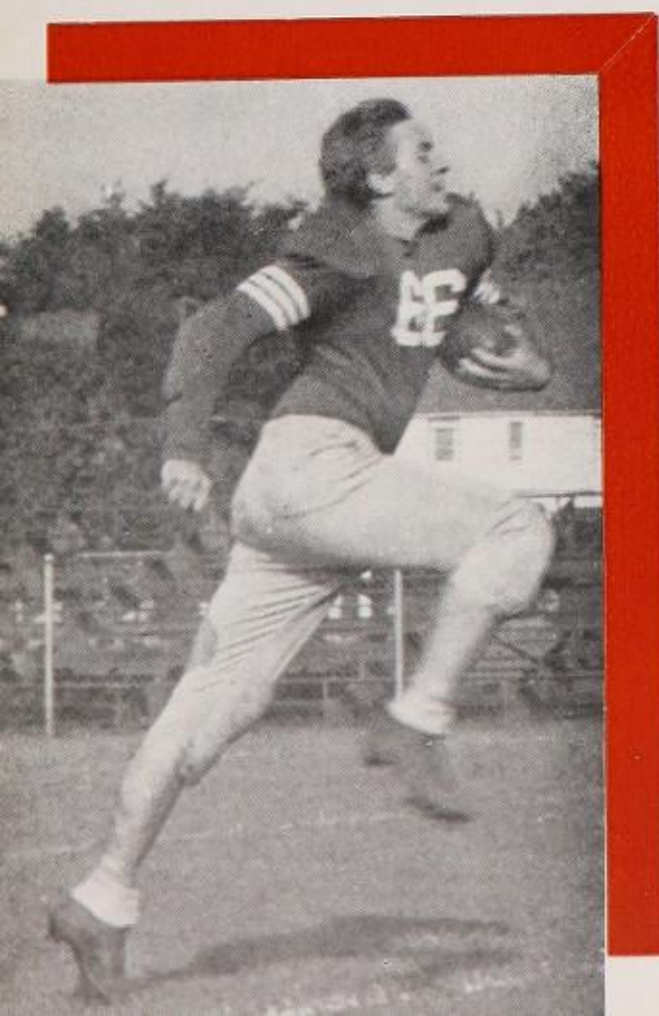

● "This 1942 New Trier football team possessed the greatest offensive power of any high school football team I have ever coached or seen. They were a threat at all times and from any position on the field."

In this way, Coach Aschenbach described his 1942 Suburban League Football Champions at the Athletic Dinner, following the close of the football season. "Asch" went on to say that, "This year's team had no individual stars. All the boys, from the first stringers to the substitutes, had one objective in mind, namely, to do all they could so the team might win."

This idea together with long hours of hard practice and willing sacrifice made this year's squad a success where others in past years had failed.

In the opener, the Grey-Green smothered Amundsen, 33 to 13. Harrison Tech put up a battle but finally fell, 8 to 7. At Waukegan, the Triermen completely out-classed their opponents. The team was superb in a 25 to 0 triumph. The following week McNitt and Harvey booted three extra points to defeat a tough Morton eleven, 21 to 19. New Trier's real test came when they faced Proviso. Coach Aschenbach and Caton had the team all keyed up and they routed the visitors, 35 to 6.

With the Oak Park game coming up, the Triermen led the league, the only unbeaten team. They could grab the title with victory. However, the Huskies were

at their best both on offense and defense and held the Trier-men in check. The score was 13 to 7, in favor of Oak Park.

The squad was both angry and disappointed. They were determined to do to Waller and Evanston what they wanted to do to Oak Park. They murdered the Chicagoans and the following Saturday they took the field against Evanston. Captain John McNitt went over for both touchdowns in a 14 to 0 victory.

Thus, the Suburban League flag was back in Winnetka after 7 years, thanks to a hard fighting 1942 New Trier team.

Captain John McNitt, Jerome Harvey, Nevin Bowser, and Gene Hasselberg were further honored by being named on the Suburban League Football Team.

J. V. Football

● The Junior Varsity football team, ably coached by Mr. Funkhouser and captained by Jim Lederle, had a very successful season. This squad is designed to give those boys, who are not yet varsity material, the needed experience for future varsity competition. The showing of this year's team gives New Trier good reason to expect an excellent varsity team again next year.

The Junior Varsity defeated a tough Waukegan team in their opening game. A first quarter pass from Dave Musson to Captain Lederle produced the only score. The Grey-Green line was largely responsible for this victory. Against Oak Park the Triermen fell 27 to 6, their only bad beating of the season. In the first Evanston game, they murdered our rivals, 31 to 0. When the two teams met again, just before the Varsity met Evanston, The Jay-Vees scuttled their set of plays in fear that the Wildkits might detect our Varsity attack. Even though they used an entirely new set of plays, they gave the Blue and Orange a battle, finally losing 12 to 7. This sacrifice payed a rich dividend both to the school and the football squads in the form of a 14 to 0 Varsity triumph and Suburban League Championship.

Frosh-Soph Football

● The Frosh-Soph football team enjoyed the same success as the Varsity as far as their won and lost record was concerned but they finished second in the Suburban League behind a strong Oak Park eleven.

The season began with two practice games. The first was won easily from Amundsen 31 to 0 and in the second, Harrison Tech was defeated 12 to 6. The first league competition was met successfully with a 19 to 7 defeat of Waukegan and the "ponies" continued their winning ways on the following two Saturdays with routs of Morton and Proviso.

Then came the Oak Park clash. The Parker's Frosh-Soph had a truly great team but it was not twenty points better than our squad as the score indicated. New Trier was in a position to score on several occasions but were unable to get the ball across.

For the remainder of the season the team was undefeated with workmanlike victories over Waller and Evanston. The outstanding linemen were Captain Steingraber, "Moose" Lauer, and Len Gilbert. At the ends veterans Warren Ely and Bill Kletzien performed flawlessly and Dick Weiss and Bill Jacobs supplied the strength in the backfield.

Much of the credit for this year's great team must be given to Coaches Lauer and Coburn for their excellent work.

Basketball

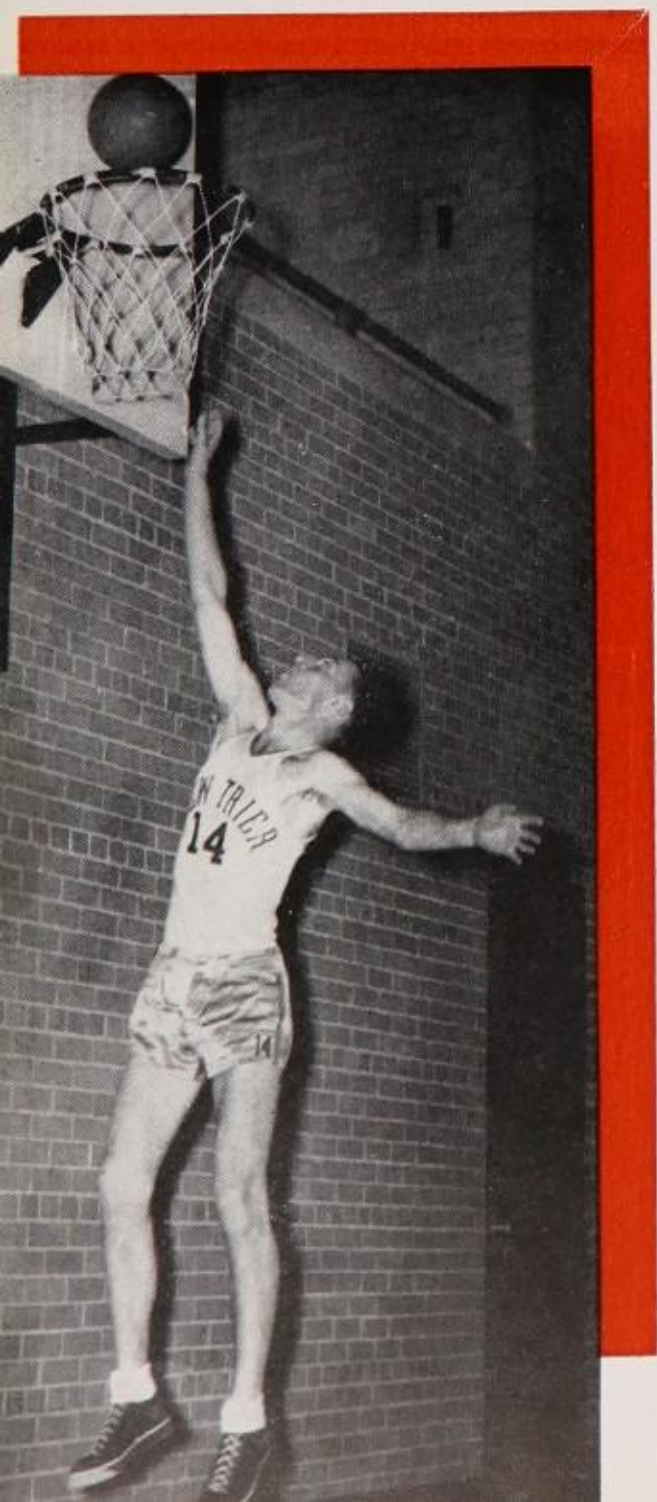

• The 1942-43 Varsity Basketball season proved to be the most successful season for New Trier since 1931. This year's outstanding record can be attributed to the superior ability of Coach Grater, who built and trained the squad by using them as Junior regulars in last year's Varsity contests.

The surprise upset of the season was our remarkable, decisive and thoroughly deserved victory over the former State champs from Morton—45 to 38. This was the Mustang's lone league defeat in twelve contests. The Grey-Green cagers were the logical team to turn their tide. Our extraordinary spirit, accuracy, speed and all-around skill exhibited that night characterized the play of the entire season. The noteworthy record of the complete season, including the regional tournament, was 17 wins against 7 losses.

We can proudly boast of the talented and experienced regular team of Cal Titus and Bruce Gatling, forwards; Den Scully, center; with Kent White and Willbur Hopp, guards. In the complete season of 21 games Titus was the leading scorer with 181 total points, and he also captured high average with 8.6 points per game.

A fine alternate squad of Delaney, Wallace, Cleary, McNitt and Bowser helped tremendously and ably substituted the regulars.

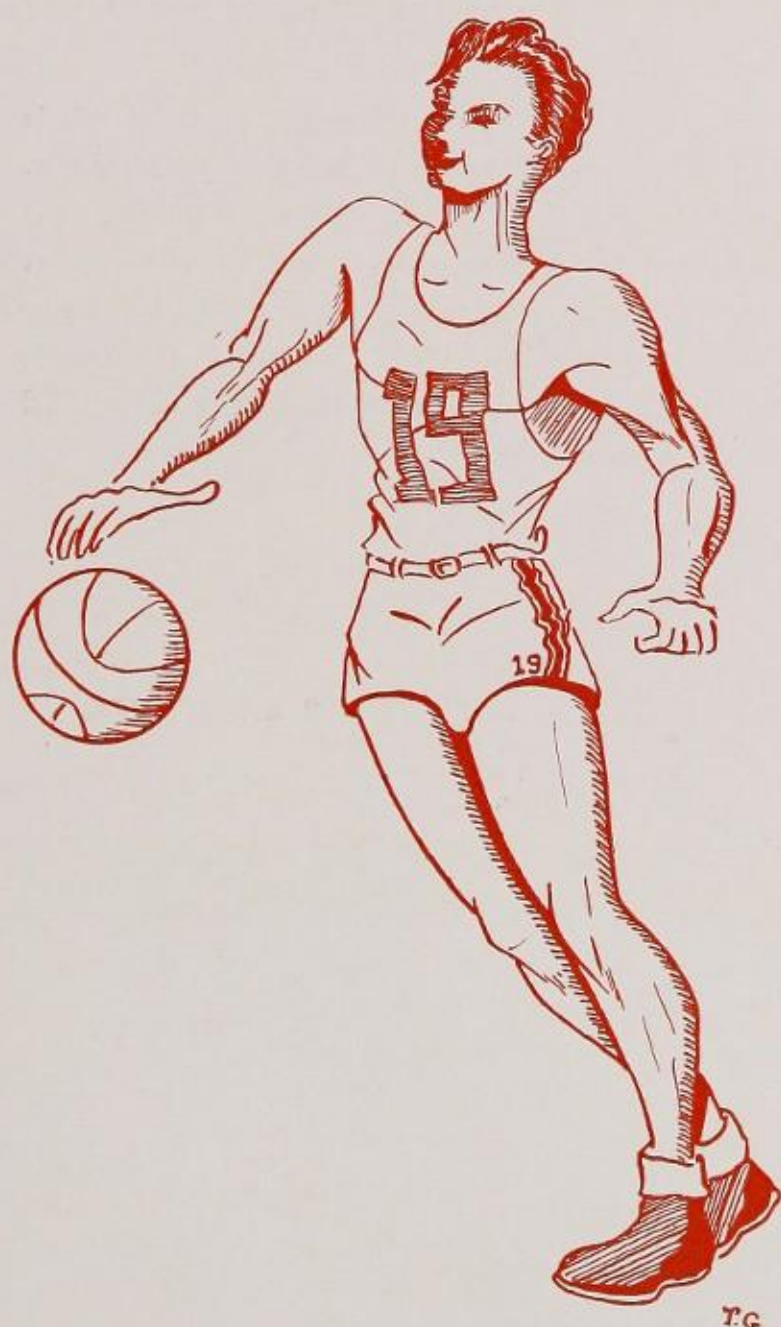

The prospect for next year's team is quite indefinite, as there were very few Juniors on this season's roster. But the Frosh-Soph team, although they had an unfortunate record, have developed some promising material, along with the J. V. team, that affords a hopeful prospect for the Varsity's coming season.

Basketball

BASKET BALL

● This year's Junior-Varsity Basketball team, coached by Mr. Lauer, did a good job by winning the J. V. tourney at Maine, beating York in the semi-finals and the Maine team in the finals. However in the first part of the season they lost to Evanston, and both won and lost games to Waukegan. Those boys who deserve credit for playing well and who were on the team for the entire season are: Stu Adamson, Granger Cook, Jack Fisher, Frank Carroll, Bill Carlin, Sam Clarke, Bart Wood, Bob David, Bob Cutler, and Bob Little.

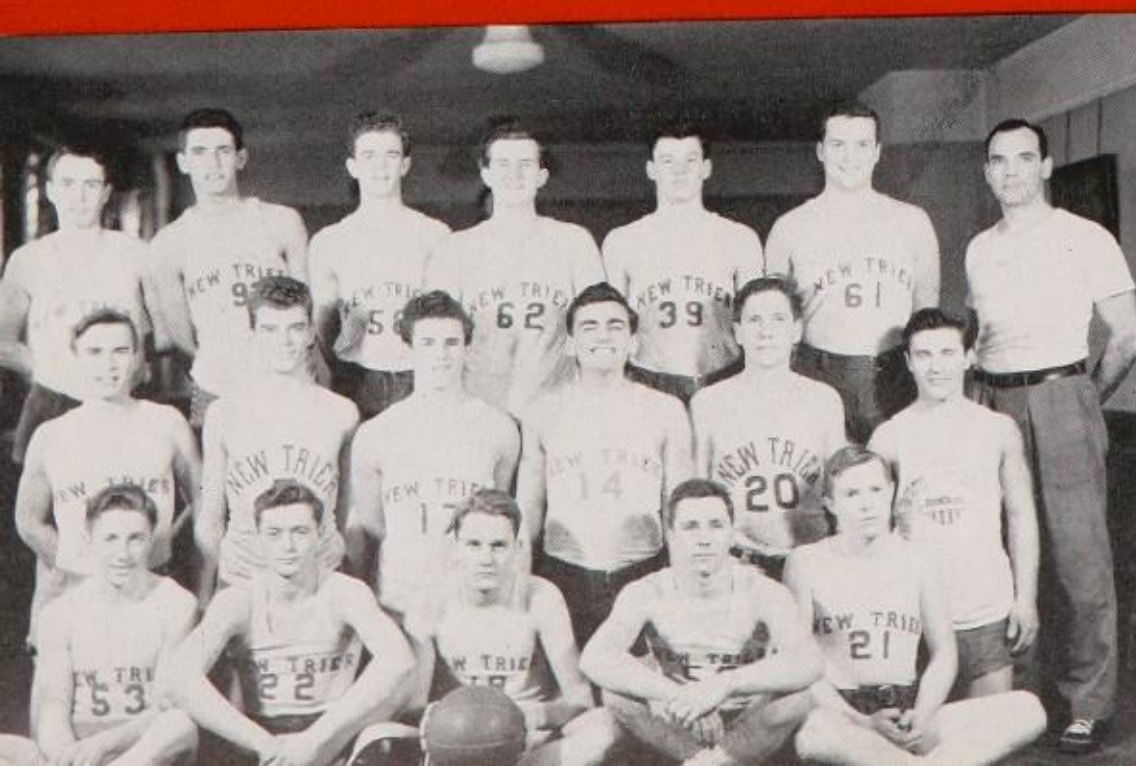

Another good team of ours of which little has been heard, is the Freshman Basketball team. It was coached this year by Mr. Ed Kahler and captained by Jack Lockyer. This team played with Evanston and Waukegan, losing only one game to Waukegan. They also played several informal games. Park Taylor, Gene Selby, Mark Day, Jack Lockyer, Phil Wolff, and John Baer were outstanding members, but the credit for an unusually successful season should go to the entire squad.

Frosh-Soph Basketball

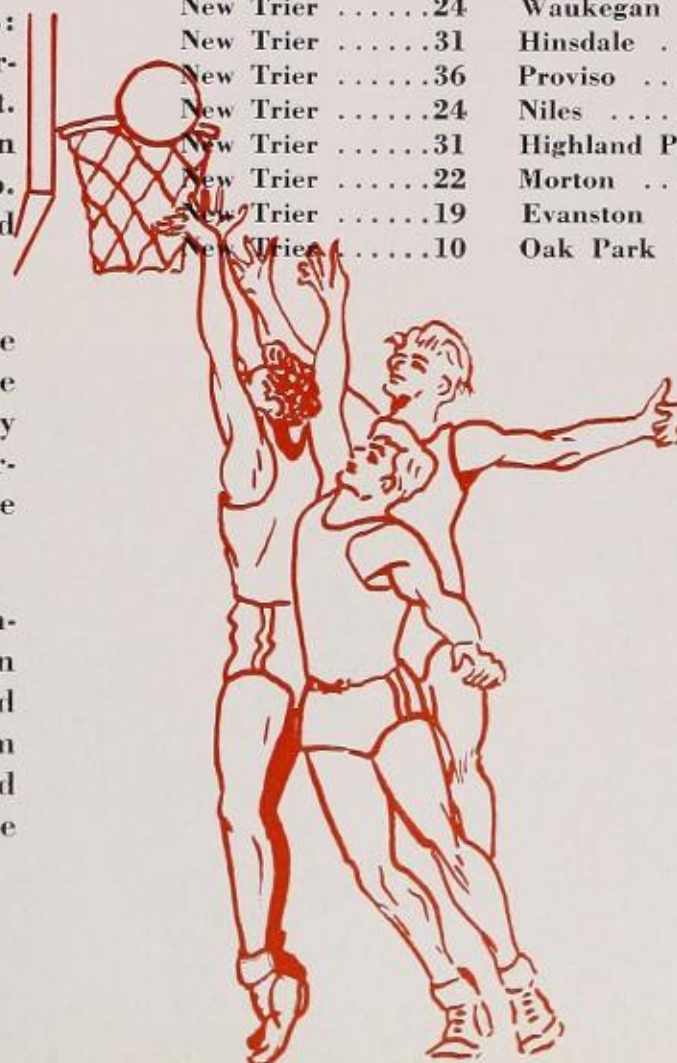

• The Frosh-Soph Basketball season of 1942-43 went through a mediocre though not disastrous year. The reasons were this: Although they had sufficient height the Ponies were considerably handicapped by sickness, resulting in a disappointing start. The new material required more time to develop than had been expected, and this inexperience necessitated a varied lineup. As a whole the squad lacked speed and skill on defense and were quite weak on free throws.

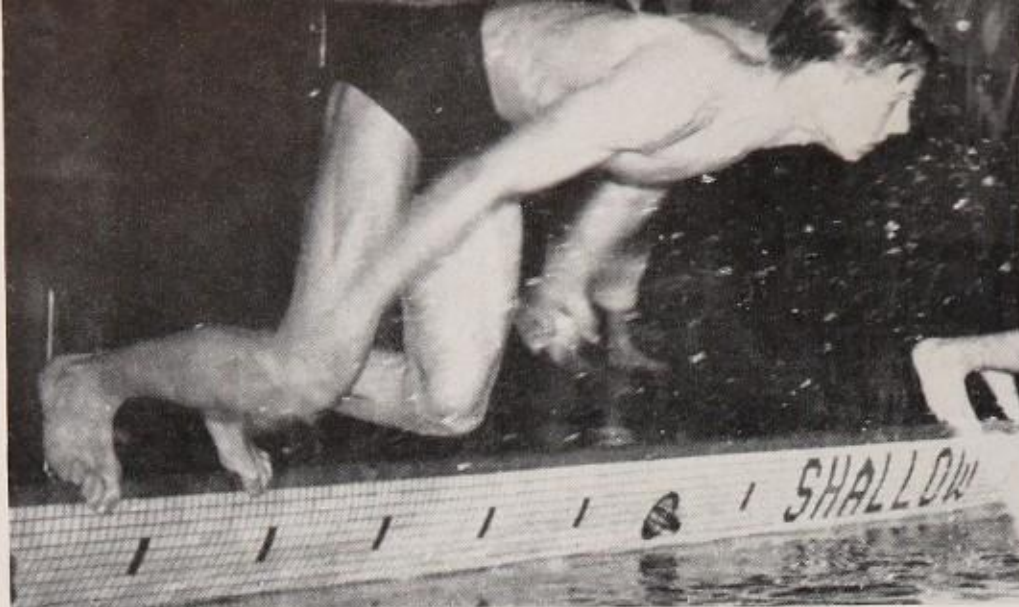

Throughout the year the whole team showed such a fine spirit, even in losing, that they merited the approval of the school, and it is felt that they should have been rewarded by victory more than the record shows. The majority of the thirteen games lost in the entire season were by extremely close scores.

As has been previously stated the starting lineup was constantly shifted, but the best combination appeared to have been Tentler and S. Davis, forwards; Lauer, center; with Fellows and Thompson, guards. Don Fellows developed considerably from experience and coaching gained during the past season, and Coach Ream expressed the belief that he will prove his value as a key man in the future.

● After having lost only one meet and the Suburban League crown to Oak Park last year, New Trier's Varsity Swimming Team rewon the League Championship by winning all twelve of its dual meets. As the scores reveal, the squad was absolutely unrivaled in all competition. The most outstanding example of our overwhelming superiority was the annual Suburban League Interscholastic, in which we compiled more points than all other schools combined, and in three events we placed first, second, and third. Another instance that proved our mermen were true champions was the triumph over the strong Wisconsin State Champs from Shorewood, 39 to 27.

● This year the State Association chose New Trier's beautiful natatorium to be the scene of the State meet. It proved to be one of the top thrillers in the history of the annual classic. As everyone knows we were defeated by a slightly superior Lane Tech squad, although both New Trier and Lane took three first places. They won in the last event, the 200 yard relay, by only two points — a real photo finish. Every boy did his very best regardless of where he placed. But we were especially proud of the fellows who captured those important first places. They were Chuck Barnes, 50 yard free styler, who was consistently under 25 seconds all season; Co-Captain Steve DeClerque, 100 yard breast-stroker, gained an early lead and held it splendidly; the 150 yard medley relay team of John Sampson, DeClerque and Barnes was the fastest in New Trier's history, beating Lane with the excellent mark of 1:24.5 seconds, only .7 of a second over the State record. All of these boys were State and Suburban League Champs and deserve our heartiest congratulations.

This year the squad possessed an unsurpassed array of exceptionally talented boys paced by Robertson and Sampson; the imposing group of free-stylers was led by Co-Captain Graham Davis, Barnes, Howell, Wallace, Watson, Moore, McMullen and Bucher; in the diving division Gregory and Katz reigned supreme.

Next year's squad has all the possibilities of producing another great championship team as only four Seniors will graduate.

Swimming Guard

• The New Trier Guard, although one of New Trier's most important activities, receives little, if any, formal recognition. This year's "Guard" is made up of twenty capable boys headed by Mr. Jackson, Swimming Coach, and Head Guard Em Wallace.

Their chief duties, which they have performed faithfully, consist in guarding the pool for after school swimming events and assisting on Wednesday evenings for the adult classes, and in teaching grammar school children to swim on Saturday mornings.

This year, an advisory board made up of Tom Spoehr, Graham Davis and Steve DeClerque takes care of any small disciplinary cases and keeps a check on the attendance of the boys. So far, this system has proved to be very successful and will be continued in the future.

We take our hats off to the New Trier Guard because of the time they sacrifice to insure the safety of others.

Golf and Tennis

● Even though the season had not gotten under way before the Echoes went to press New Trier's golf squad had every reason to look forward to an outstanding season.

Coach Aram has six returning lettermen and with them should easily annex the Suburban League Title and undoubtedly will be contenders for the coveted State Title. The returning members on this year's squad include Captain Bob Judson, Graham Davis, Den Scully, Bill White, George Wood, and Chuck Atwater. The remaining members of the squad will be chosen after the first matches.

● Although the Tennis season does not start until after the Echoes goes to press this year's squad promises to live up to the previous standards of New Trier's tennis teams. The team will be under the direction of a new coach this year since last year's coach, Mr. Clader, is in the armed services.

The team will be centered around the three returning lettermen, Captain Howe Atwater, Andy Goodrich and Bill Stenson. These boys will probably play the three singles positions and if two doubles teams can be found from among the other members of the squad, the team might easily revenge last year's one-point loss for the State Championship.

Varsity Track

• New Trier's varsity track team got off to its usual good start, this year, in the indoor season, by taking eight out of ten first places and thus beating Sullivan High School of Chicago. After this meet New Trier took on and beat Maine and Hyde Park. Then, in their first Suburban League clash, they whipped the Wildkits from Evanston. Because of their excellent coaching by "Uncle John" Nay and Mr. Hoyt, our tracksters proceeded to triumph over York and Evanston and then Schurz and Evanston. In spite of these victories, at the Suburban League Meet, Oak Park managed to squeeze into first place giving our boys second. In the last meet of the indoor season, the Oak Park Relays, the team made a good showing.

The outlook for the outdoor season, this year, is very bright. Mr. Nay expects our trackmen to come out very close to, if not at, the top of the "League."

84

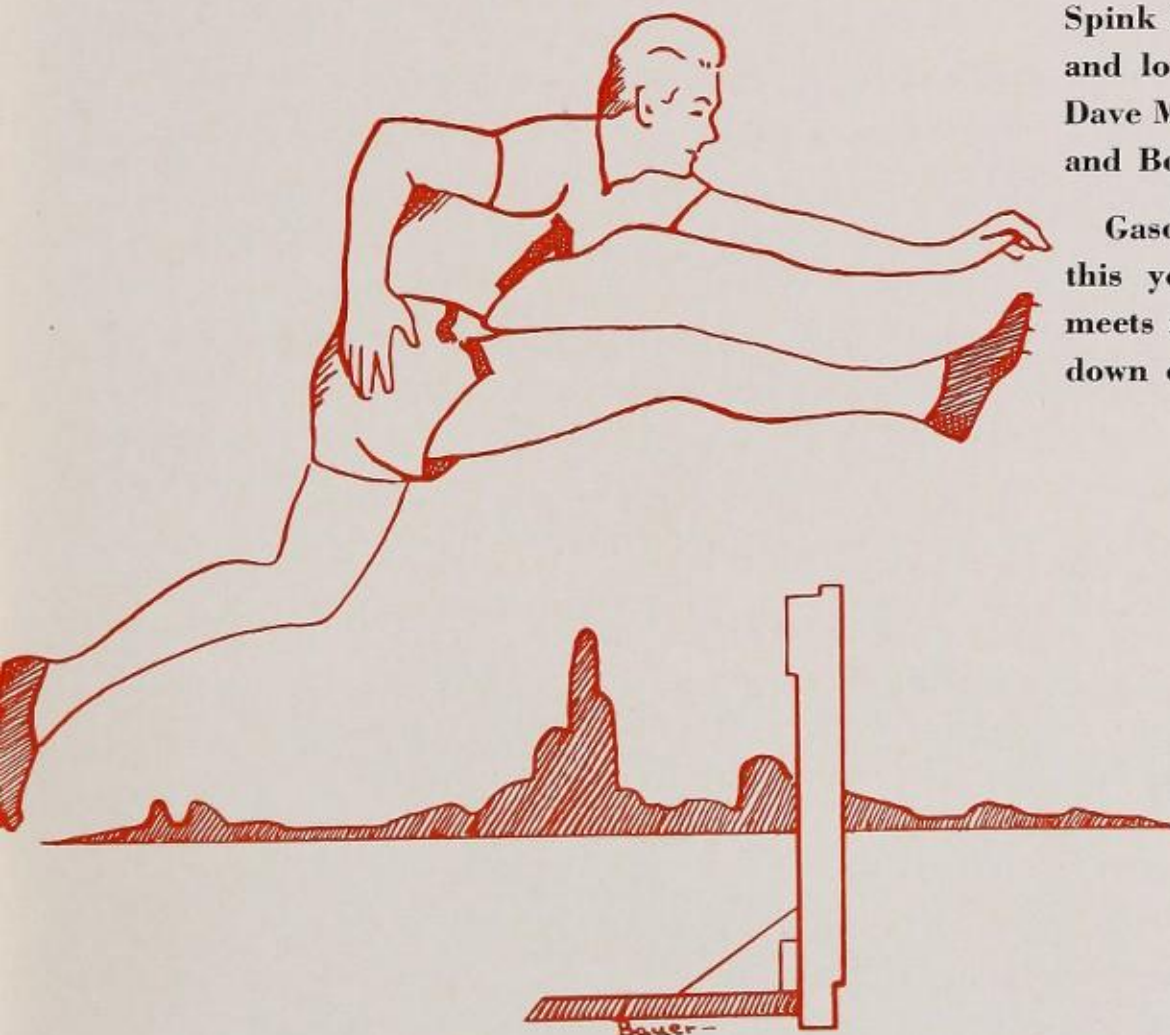

He also expects a good showing at the Wheaton and Proviso Relays, and possibly at the State Meet on May fifteenth.

This year's team is captained by Bob Enright and Adam Brewer. Much credit should be given to John Spink for his excellent performances in both the high and low hurdles. Also, notice ought to be taken of Dave Murphy in the "440," Bob Enright in the "880," and Bob Kent in the "mile."

Gasoline Rationing has had little, if any, effect on this year's schedule. There were, however, a few meets in which three teams competed, thereby cutting down on the number of meets.

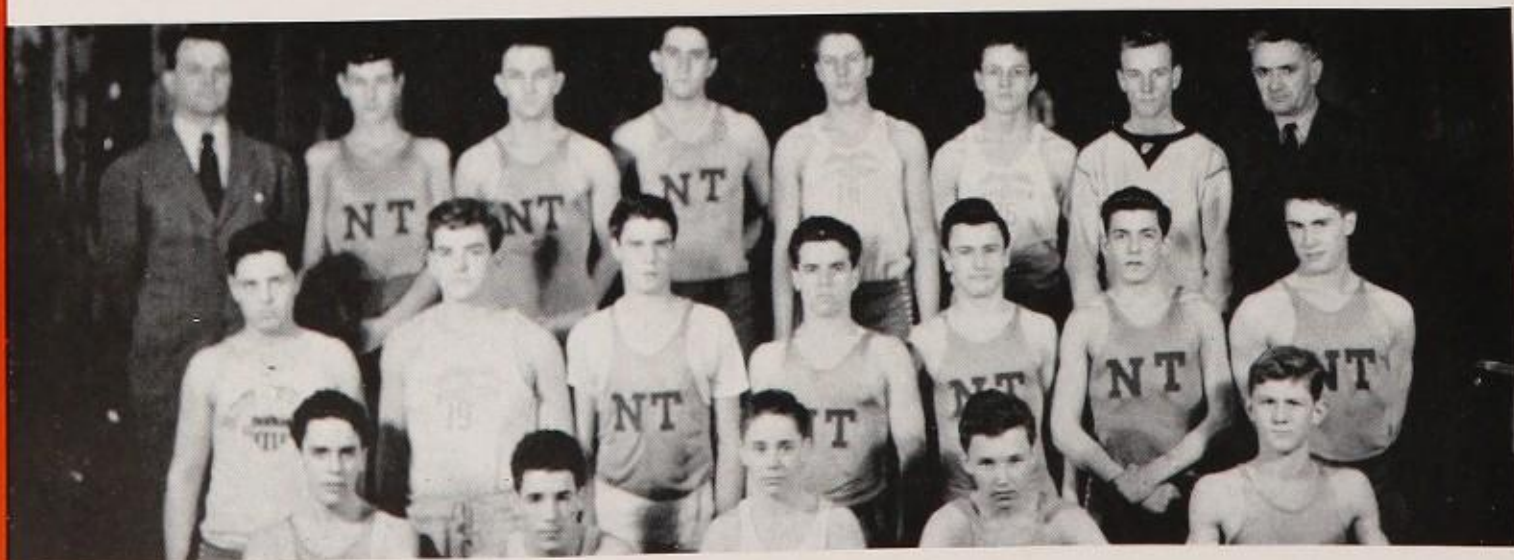

Frosh-Soph Track

● Our Frosh-Soph track team, this year, deserves special attention. Under excellent coaching by Mr. Nay and Mr. Hoyt, they succeeded in capturing the Suburban League title in the indoor season. They stand a good chance of getting the championship in the outdoor season, also.

This year's team is quite strong and shows a lot of promise for coming Varsity Teams. In the "fifty" there is Bill McNulty. Stu Olson and Dave Gershwin are the stars of the "six-sixty." Dick Warfield and Cambel Collins handle the hurdles and high jumps respectively, and Warren Ely is another boy who shows promise of becoming one of the future stars on the New Trier Varsity squad.

Row 3: Hildreth, Hilton, Day, Storch, Sherwin, Huszagh, Lewis, Neiween, Thompson, Davis, Loeb, Chace, Underwood, Kent, Buford, Shanesy, Kilner, Todd, Parsons, Marshall.

Frosh-Soph Baseball

● Since the baseball season had not started at the time this was required to be written, little, if anything, can be said about our Frosh-Soph baseball team.

Many of the boys who will be trying out were in grammar schools last year. Those boys who started as freshmen, last year, and are expected to return this season are: Art Wolff, catcher; Dick Smullen, and Byron Warnes, pitchers; infields, Hugh Brower, Warren Davis, Stu McKeldin and Joe Fitch; and in the outfield Charles Steingraber and Gene Howard.

Last year, the team was coached by Mr. Lightner. Our boys were pretty successful and broke even. By the time this is published we will know the results of this season. We are confident that Mr. Lightner will have trained our team to do as well, if not better, than last year's team.

Row 3: Browne, Kadyk, Watson, Dudley, Bowser, Sawle, Dole, Roberts, Patterson, Lucas, Thatcher, Earp, Aschenbach.

Varsity Baseball

● As the 1942-43 Echoes goes to press, the Varsity Baseball team has had very few actual Suburban League meets but from all indications so far our team promises to turn in a very good showing this year.

The season saw the return of several of last year's lettermen. This nucleus of players was supported by several juniors and a host of seniors. Coach Aschenbach's chief problem seemed to be pitching because of the lack of experienced men. Various combinations were tried by Coach Aschenbach before the opening game and with the season in progress, new faces appeared in the line-up.

The infield was one of the best parts of the team. With such star players as Spielman, the infield seemed to show plenty of spirit. The outfield also was very strong. Our players had plenty of spirit and hit well. The Juniors made excellent replacements for the team.

As the season was only beginning when the Echoes went to press, it is probably too early to forecast the outcome of this baseball season, but it is felt that the team is made of what it takes and that it will perform creditably this season.

● This year a new group, the Adviser Room athletic managers, has been formed. Once every other week these representatives from the various boys' adviser rooms meet in the gym and discuss the current intramural programs. Without their help before hand, and of the officials during the games the different activities could not have been carried out.

Intramural Champions

● At New Trier Intramural sports play just as active a part in the whole sports program as the more publicised varsity athletics. A great part of our competitive spirit is found in these activities. Intramural sports consist of competition in many different sports during the school year between adviser rooms. Advisers are permitted to participate in intramural activities and this has helped to raise the morale and the spirit of the activities greatly.

The intramural program is under the supervision of Mr. De Forrest Showley. Included in the list of sports is touch football, tennis tournaments, basketball, track and volleyball.

G. A. A.

● This year, as the nation concentrates on its war effort, G. A. A. has striven to do its best in preparing the girls of New Trier for their parts in the war program. G.A.A.'s program, which had always been a vigorous one, has remained much the same, with the exception of the addition of the girl's Physical Fitness Corps.

In addition to its two big dinners, freshman party and various playdays, G.A.A. this year has cooperated with the other major school organizations in presenting the Gym-Jams, in an effort to provide entertainment for these gas-less days.

The Executive Board has worked very hard and done its best under the leadership of President Irene Terzakes, whose work no manner of words could properly praise.

As much a help has been Miss Boulton, who returned to sponsorship on Miss Healy's departure. However busy, she has always been ready with sympathy, advice, and her own brand of humor.

Working as Vice-President was Virginia Kemp, handling the difficult and thankless task of the chairmanship of the awards committee and of handling the representatives.

Selling tickets, collecting dues, handling accounts and understanding other such flights into high finance was Treasurer Lois Hale, in her second year on the Board.

Only sophomore on the Board was Hildegard Warfield, secretary, handling all correspondence.

Intra-Mural Sports Chairman Barbara Lyons had quite a task in handling records and keeping the sport

heads working efficiently. Social Committee chairman, Peggy Cogswell, and Arrangements Committee head, Sally Wallach, collaborated on all G.A.A. social affairs—the two banquets, the freshman party in the fall, and the various play-days throughout the year.

Leading Publicity work was Peggy Nix, supervising articles for the NEWS. Returned to the executive board after a few years absence is the officials' committee—in charge of Carolyn Buhai. Every quarter she has trained officials for the various sports and seen that they keep at their work.

This year G.A.A. started out with its annual Freshman Day, featuring demonstration hockey and speedball games. The hockey tournament laurels finally, after two bitterly contested victories, went to the sophomores. Though hockey is not open to freshmen, Nancy Noble and her faculty adviser, Miss King, were kept busy by the upper classmen.

The Riding groups, under the leadership of Doris Oman and her assistant Margaret Carson, presented the Horseshow to which parents and other students were invited.

Due to the early cold weather the tennis and golf tournaments could not be carried through to the finish. However, Sport heads Sally Lightner and Jean Wooden had better luck this spring.

Rhythms, under Gloria Pepoon and Mrs. Dahlke, sponsored the dancing of Miss Sybil Shearer.

One of G.A.A.'s innovations this year was the Girls' Swimming Assistants. The girls are under the student leadership of Dorothy Flint and the faculty guidance of Miss Veach. Lucy Nilles, head of swimming, found her sport very popular, especially with the freshmen.

Volleyball head, Sally Eldredge, found her sport very popular this year. Betty Van Horne, head of recreation games, found that the girls' martial spirit made the boys' "Commando Course" quite a rival to the established program.

The second semester saw the advent of a new sport—the girls' physical fitness class. This was started independently, but was soon added to the Board under the student leadership of Lorraine Eisenberg and faculty supervision of Miss Boulton.

For the second year, the annual Northwestern-Illinois game was held in basketball under the supervision of head of sport, Mary Lou Ritter. Again this year, square dancing, led by Barbara Hinnens and Mrs. Dahlke, was a mixed affair, taking place weekly in the dining hall.

With spring came a new zest for activity — and baseball profited greatly by this. Shirley VanHorne, the head, had no difficulty filling up her diamonds.

For those who like continued exercise combined with skill, Laurie Gott offered just the thing with LaCrosse.

Archery, this year, was headed by Mickey McConnell and Mrs. Abbott. The year culminated as usual, with the Spring Banquet in May. Awards were presented and skits given as at the mid-year dinner. What made this evening outstanding was the exchange of 24 corsages, as the 1943-44 Board was announced.

Freshmen

● The members of the freshman class upheld the reputation of the preceding freshman classes both in number and in traditions. Because they have no class party or any such event, the officers are elected on an honorary basis.

To get acquainted with each other, the fathers and sons had mixers in the gym and the girls' adviser rooms gave teas in the girls' club room for their mothers. These events turned out very successfully. In addition to this, the boys and girls made arrangements for mixers and "big sister" parties.

Many opportunities were given to all freshmen to join the various clubs in which they might enter. Their advisers recommended a number of them to other organizations such as Girls' Club and Tri-Ship committees and Council. In addition all sports were offered to them.

The freshman class are appreciative of the work and time given to them by Miss Shaw and Mr. Reiley, the adviser chairmen, and also of their advisers who helped them overcome the difficulties of their first year at New Trier.

Sophomores

● The Sophomores ended up their successful year by giving the annual Sophomore party in March. The officers, Frank Moyer, President; Jerry Ketcham, Vice-President; Mary Lou White, Secretary; and Stuart Olson, Treasurer, did a fine job in preparing this informal party and everyone had a wonderful time meeting and getting acquainted with their fellow class members. Over five hundred sophomores attended. Before the dancing, entertainment was provided by some of the more talented members of the class.

A great deal of credit goes to Miss Hurst and Mr. Grinnell Sophomore Adviser Chairmen, not only for the success of the party, but for the management of the whole Sophomore class. They have prepared them by patience and understanding for the problems they will have to face as upper-classmen.

The Sophomores may be proud of their activities, as well. They have whole-heartedly pledged themselves to carry out their responsibilities to the fullest extent besides supporting all defense organizations and drives. They have been near the top in defense sales, magazine drives, and all other school activities. All the Sophomores, with the aid of their advisers and officers, have proved themselves a class of which New Trier can be proud.

Juniors

● Under the leadership of Jackie Sherman, President; Jack Clarke, Vice-President; Helen Evans, Secretary; and Moose Dunne, Treasurer; the Juniors proved themselves most capable of accepting the responsibilities of upper-classmen. As in former years, the Junior Prom was the main highlight of their year. It was held in the dining hall on May 22, and as is customary, was open only to Juniors and Seniors. There was some question as to whether it could be held this year, but with the careful planning of the class officers and the various Prom committees, the cost was held down to such an extent that the Prom was able to go on as usual.

The Juniors also worked hard in all school activities, including the numerous defense measures put forth this year. They are proud of this participation as well as the election of their members to T.N.T.

A great deal of credit goes to the Junior Adviser Chairmen, Miss Brady and Mr. Vernon, who have helped them uphold the standards set by former classes. They feel certain that the Junior Class is capable of undertaking the responsibilities that will face them next year as the leaders of the school.

Tenax Nobilis Triumphans

MISS HADDEN

● T.N.T. is New Trier's way of recognizing special achievement in the field of activities. Each year about forty upperclassmen are chosen, of which approximately one-third are juniors. It is these juniors who elect the members of T.N.T. the next year; they discuss the records and achievements of those nominated by advisers and sponsors of activities, and finally vote on those they think qualified for this top honor. Although the recommendations are made by faculty members, the actual voting is done by the students.

This year 42 new members were elected to T.N.T., 15 juniors and 27 seniors. Eighteen of the seniors are also members of Honor Society. Only the most prominent students in school are elected and because of this, T.N.T. is considered the highest honor a student may attain at New Trier aside from the Tri-Ship and D.A.R. Awards. This year's officers were: President, Graham Davis; Vice-President, Don Royce; Secretary, Jean KixMiller.

The Seniors

BOWSER

HERBUVEAUX

MURPHY

PETERSEN

● For four years the class of '43 has worked hard. Long afternoons have been spent in the Chemistry labs, at opera rehearsal, or at football practice. Long evenings have been spent at the library writing themes for English, or outlines for History. And for four years the class of '43 has played hard. There have been football games, Christmas dances, spring plays, cokes at White's, and best of all, friends with whom to work and play.

In their four short years the seniors have seen and worked at great dramatic productions, charity drives, operas, talent shows, forums and gym carnivals with ceaseless and enthusiastic interest. They have cooperated with the further organization and expansion of student supervised study halls, and this year, due to war restrictions on recreation, the senior class has helped bring forth a new type of entertainment, the Gym Jam. Through their fine spirit and hard work this creation has been made a great success.

This year's senior class has led New Trier through its first full year of war. In spite of the loss of many of its leaders who have gone on to face an uncertain college career, and in spite of the many changes and restric-

tions necessitated by the war, the class of '43 has valiantly carried on with optimism and determination to do a good job.

We expect that these seniors will fulfill their obligations and responsibilities in college, jobs, or army life, with the same efficiency that they have here at New Trier.

All that the seniors have accomplished has been done under the excellent guidance and advice of Miss Maloney and Mr. Kahler, the deans, who have surely helped to give them something more than a diploma to carry away from New Trier.
